想ひ人
-おもいびと- 前編
高乃 朔

This story is set in the Meiji period.
The Ishikagami family had many members enter military service. Although my youngest brother inherited control over the household once our father passed away...
The family no longer had the means to take care of me, nor would they receive any special sum of money for giving me away by marriage.
My brother died of illness and the Ishikagami bloodline came to an end.
With assistance from an acquaintance of my late younger brother, I gained employment as a maid. I would be working under a family from England, who worked in service of the Meiji government.
I lost everything at the age of 16.
And then I became a member of the Arron family.

Apparently, this family made their fortune in the iron and steel industry...
What a big mansion...
Ohhh, watch it!
Kyaaahh!
I'm sorry! Are you okay?
Eh?

B-Blonde hair!?
It's a woman... wearing...
men's clothing!?

Panicked
?!?
?!!?
Oh, sorry...
Please excuse my driver. Can you stand?
!?
Ah, umm...
Ouch!
!
Oh... Did you get injured, by chance?
Uh-
um...!
It hurts... b-but this foreign woman is...!
And she just picked me up!
.....
Excuse me.
I know a doctor around here. I'll take you there.

Ehh?
Righto!
Take me to Doctor Heiji's place!
Huh?
とす。
カンカンカン
Wha——aat!?

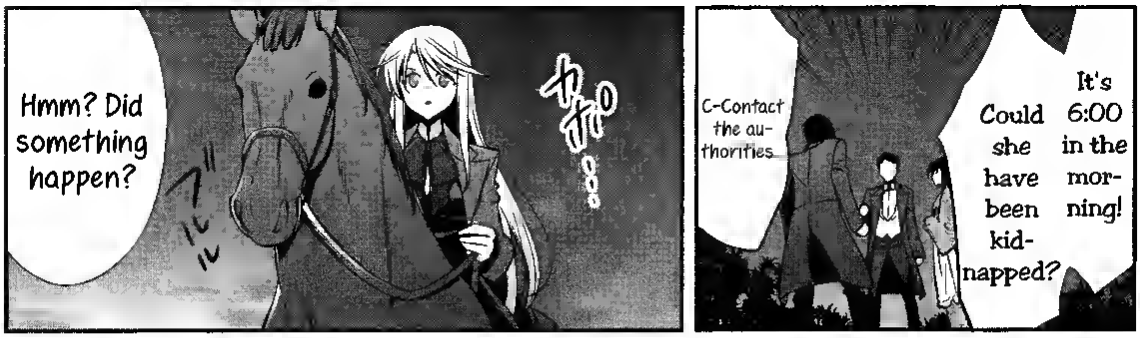
!?
You're Ishikagami Yuzuko, correct?
Hehe, you don't need to be so frightened.

Well... You did appear in front of my house, and I heard from my father that the daughter of a samurai would be coming. You'll be helping me out from now on.
...How do you know my name?

Basically...
starting today, I'm your master.
This person is my 'mistress.'
She lived in Japan from the age of 10. She's a bit odd and enjoys dressing in men's clothing.
Ah, this is whom the Japanese government hired. Claudia Arron, daughter of Claive Arron.

Mis-
Mistress Claudia!
That's danger-ous! P-Please... come down from there!
Mistress!
Hey there, Yuzu.
...I can see Tokyo well from up here. This country is changing by the day.
The wind feels nice, too... Why don't you join me, Yuzu? Just don't fall down, that's all.
WHAT...!
panic
"That's all..." Just where do you get your confidence from!?

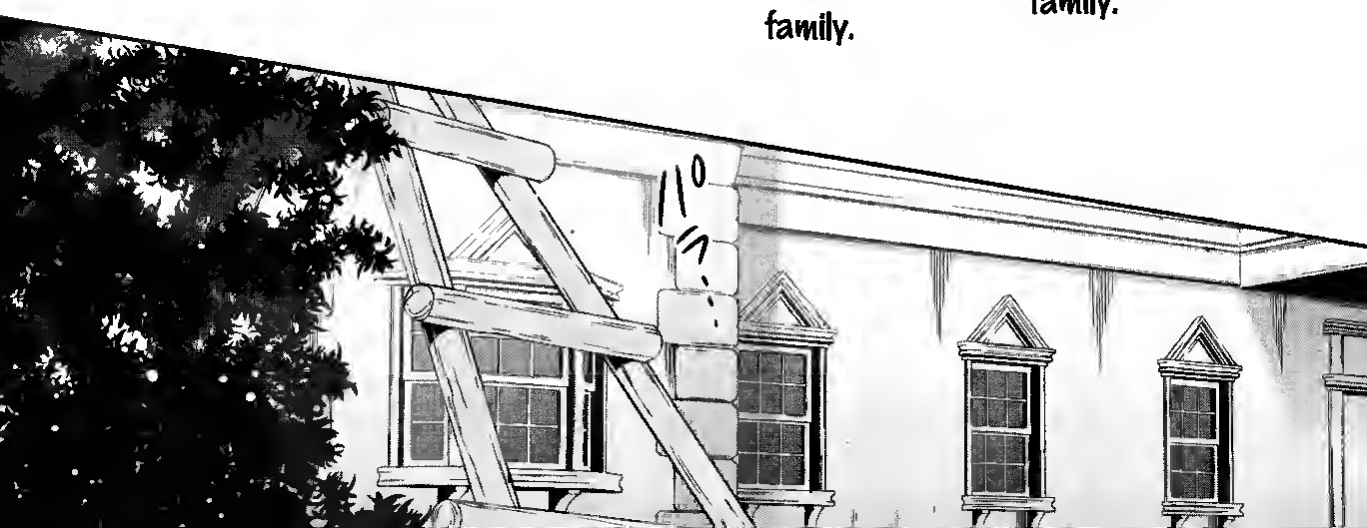
You still can't find her!?
Hyaaaahhh!
off balance
Or... if I fell down ond got injured, do you think I could use that as an excuse to get out of my op-pointments?



I had no home to return to.

After all, I was cast out by my own family.

There are many cultural differences among us, but I'm grateful to the Arron family.



Whoa!
Ahhh!
However...
...
That hurt...
M-M-M-Mistress Claudia!?
This girl hates being bound by convention. The men's clothing aside, all her behavior is mysterious.
I don't know how to deal with her.
Haha... How should I put it...
"Oh, crap!"
Honestly...!
Just what were you thinking, Mistress Claudia!?

You got what you deserved.
...
Wahhh
And I got scratches all over my arm!
!
I can't believe you would climb up that tree as if you were some sort of lumberjack...!
I didn't, I used a ladder...
It's no different.
...Right.
Yuzu...
?
Yuzu... Would you be gentle and treat my wounds?
...
!

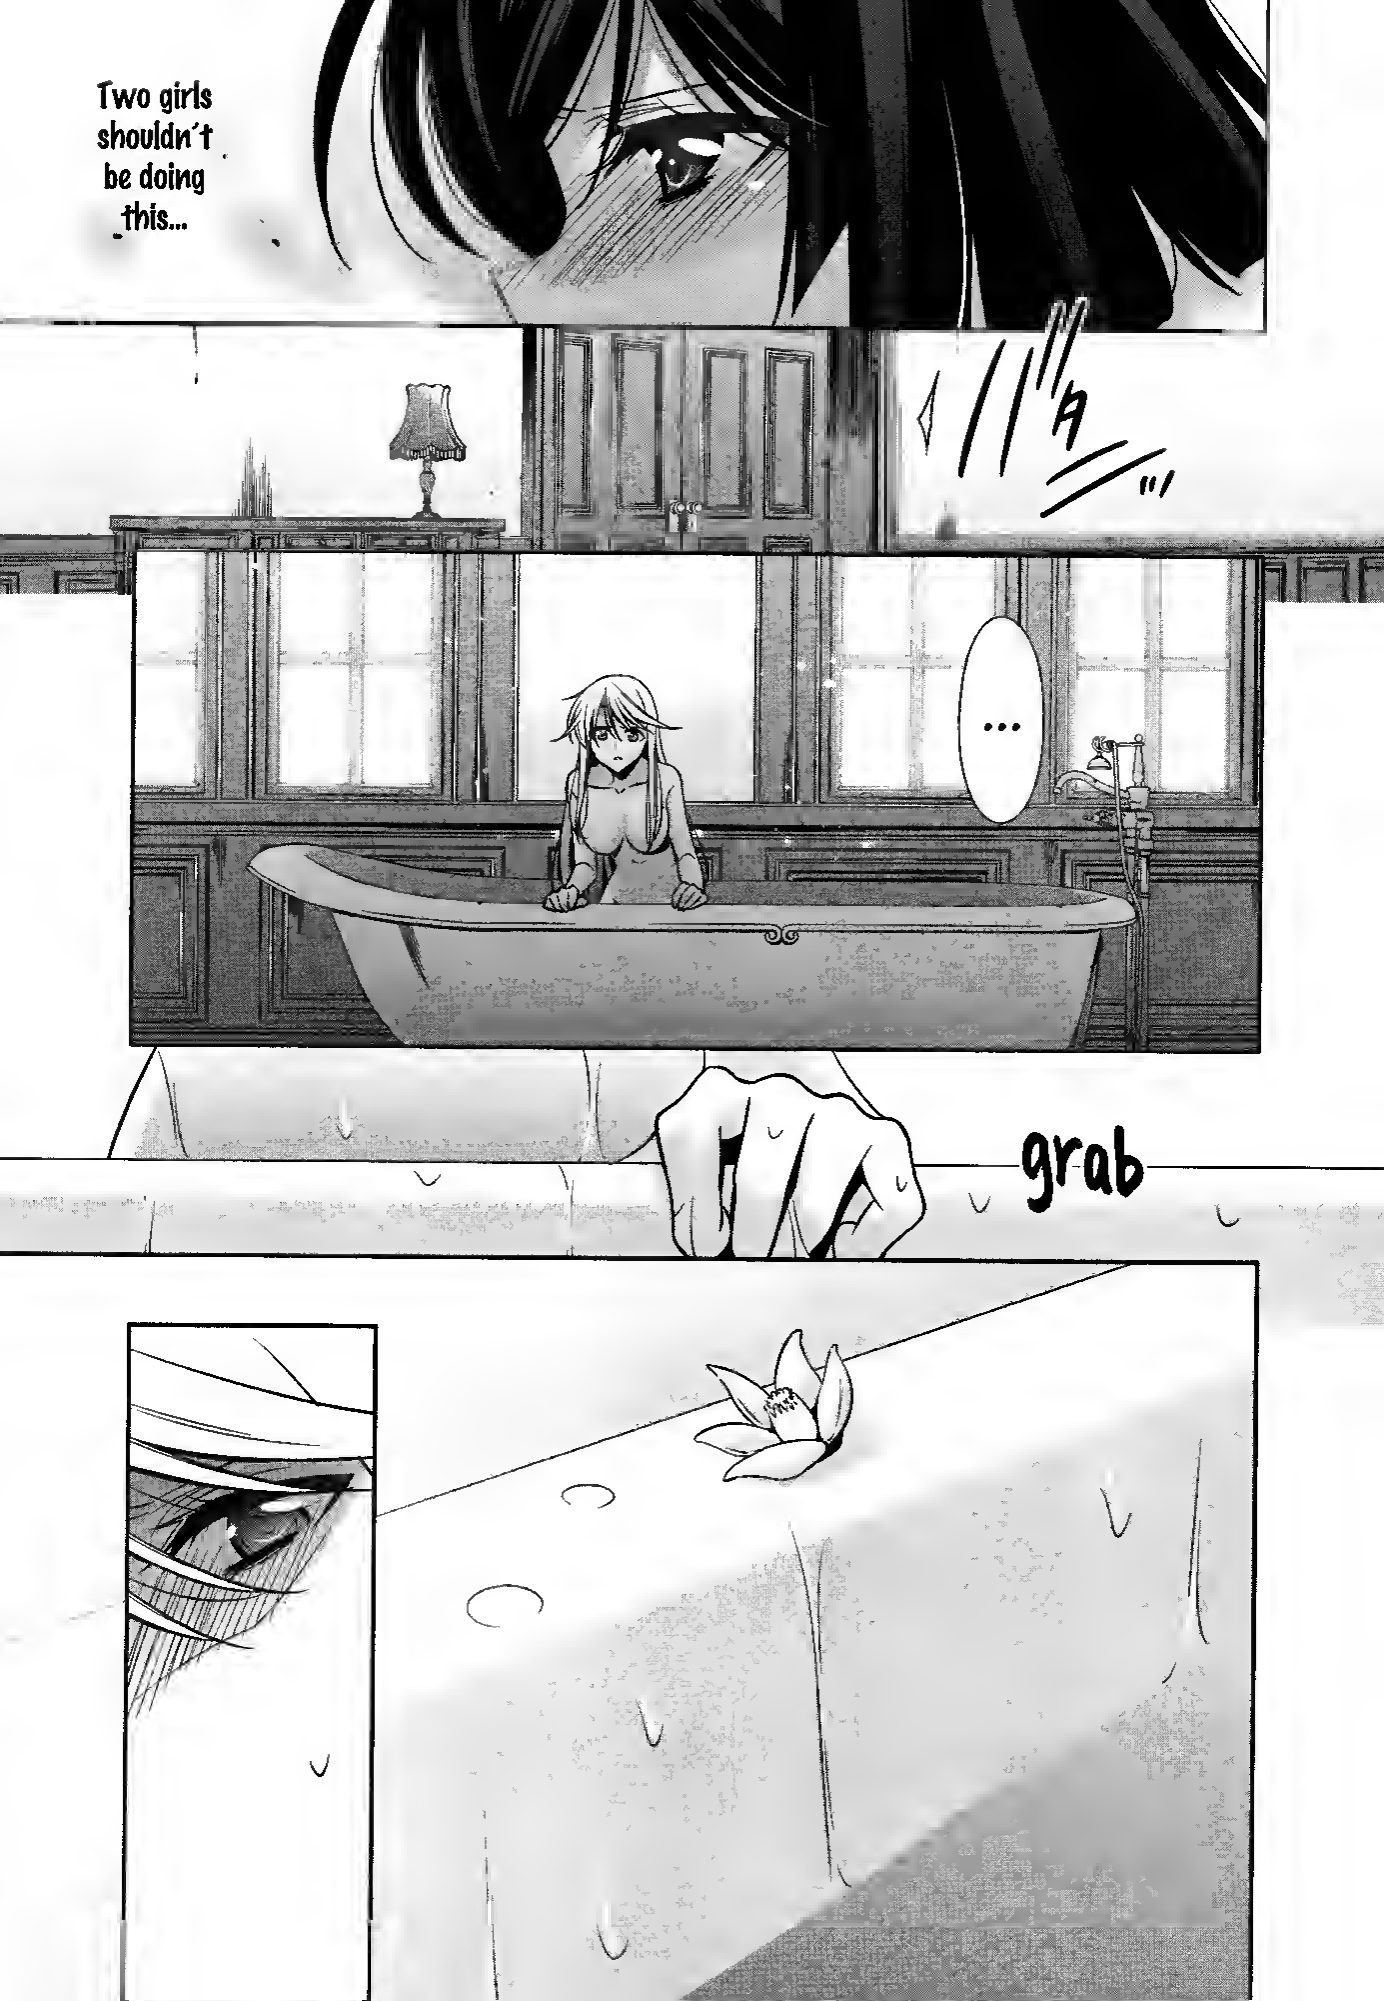
Her face is... so close...
Yuzu...
...
Just kidding!
...!
I climbed up there 'cause I wanted to get a better look at the freshly bloomed flowers!
STOP ACTING LIKE A SMALL CHILD, MISTRESS CLAUDIA!
OOPS!!
Jeez... You always behave so strangely.
She was teasing me...
Are all people from England like this...!?
...

...I wasn't joking around.
!
...
The Yuzu flawers in the garden were blaaming sa beautifully. I wanted ta get a closer look at them.
Do you know what Yuzu means in flower language?
...
"A sigh of love."

Yuzu...
Can you guess who I'm in love with?
squ eeze
That can't be...
This is just another one of her pranks again, I know it.
I mean... she's my mistress...
and I'm her servant.

We're
both girls.

BLUSH
Yuzu-
I don't believe it...



Two girls shouldn't be doing this...
...
grab

Yuzu...
チュッ
...I'm aware.
ズルル!
Jesus.
We're both women... but still...
I'm English, and she's Japanese.
I know that this wouldn't be allowed.

You hate going against the grain, and you're always so serious.
I've always wanted to see that look on your face.
I want to hear "You mustn't do that, Mistress" from you.
